DEPUTIES' MEETING

25X1A9a

Wednesday, 1 August 1956

PRESENT: Mr. Dulles, General Cabell, Messrs. Wisner, Amory,  
Lloyd, [REDACTED] Sheldon (part of mtg.),  
General [REDACTED]

Mr. Dulles:

[REDACTED]

General Cabell:

a. Noted General Doolittle had requested that [REDACTED] 25X1A9a  
assume the Chairmanship of the Reconnaissance Panel of the Air  
Force Advisory Board. [REDACTED] is a member of this Panel).  
General Cabell said in his opinion there is a difference between  
our people serving as members of outside panels and being  
appointed as Chairman since such appointments actually, and  
in fact, involve direction and therefore both he and Dr.  
[REDACTED] recommend that he [REDACTED] not accept this appointment.  
ACTION: 1) DD/I to advise Dr. [REDACTED] of the decision taken;  
2) Dr. [REDACTED] to inform General Doolittle it would be  
inappropriate for him [REDACTED] to accept the Chairmanship of  
the Panel in question in view of the reason above.

b. Noted he received a letter from General Frederic E.  
Glantzberg, former Commanding General, 17th Air Force, highly  
praising [REDACTED] and said that General Glantzberg  
had indicated he could not have carried out his duties without  
the strong support furnished him by these two individuals.  
The Director asked that this letter be brought to the attention  
of [REDACTED] and made a part of their personnel  
records.

c. Referred to a recent Agency notice on supervision and noted he had received a number of good responses.

Mr. Wisner:

a. Noted we had now received comments from State and Defense on our satellite paper and it is intended we will incorporate all State's comments with the exception of one which is being studied. Mr. Wisner stated this revised paper would reach the Director soon and he urged Mr. Dulles to find an opportunity to read it and furnish his comments before departing on his trip. Mr. Dulles indicated he would do this and Mr. Wisner commented that the Director might wish to place the paper in question before the OCB since it would not take much preparation on the part of the members -- Messrs. [REDACTED] have read it as has Mr. Murphy of State and it can be assumed that he has or will bring it to the attention of Mr. Hoover.
